

Bartlesville Public Schools
ATHLETIC PHYSICALS
For 2019-20

Where: Bruin Fieldhouse

When: Tuesday, May 7 2019

Time: All sports are assigned a specific time

- 6:30 - Football
- 7:00 - Basketball, softball, cross-country, swimming
- 7:30 - Cheer, pom tennis, golf
- 8:00 - Baseball, track, wrestling
- 8:30 - Soccer, volleyball

Cost: \$20 cash or check payable to ASBC

Athletic Physicals will be given on the above date at the Bruin Field-House. These physicals meet requirements set forth by the OSSAA to allow participation in school athletics. They do not represent a “complete” physical. You must see your personal physician for a more in-depth assessment.

What the athlete needs to do:

Obtain a [physical form](#) and complete the medical history on the back of form.

Currently, physical forms are available on the BPS website under the athletics tab, and at bartlesvillebruins.com under the links tab. After May 1st 2019, forms will be available in the athletic director’s/trainer’s office and on the night of the physical.

With completed medical history form, check-in at your sport’s designated time at the FAC lobby ticket window.

Remit \$20 and proceed through the process.

(Remember the online forms)

The physical/medical history is the only “paper” document the athletic office will collect. Additional required documentation...concussion form, medical release, etc...is completed online. [Everything you need is available on the school’s website under the “athletics” tab.](#)

Regardless of where an athlete gets a physical, ALL forms must be dated after May 1st, 2019 to be valid for the 2019-20 seasons. Please use our current forms.
