

Purpose of the Camp

Madison Middle School is a unique and fun place to be! We are focused on academics and character building through technology and hands-on activities. Madison wants to help students transition from elementary school to middle school through introduction to new teachers and friends, and providing students with an opportunity to familiarize themselves with all that Madison has to offer. The camp will offer many activities and a rich curriculum for all students including:

- ⇒ *Core subject integration into everyday activities such as cooking, art and nature. English, math, science and social studies will be embedded into the daily activities used to enrich students during the camp.*
- ⇒ *Health, Hygiene and fitness*
- ⇒ *Time management*
- ⇒ *Locker 101 will help students become acclimated with lockers and transform them into experts at opening and organizing their personal lockers.*
- ⇒ *Stress and Homework Management*
- ⇒ *Understanding the cafeteria and menu*
- ⇒ *Navigating the building*
- ⇒ *Learning about service opportunities*
- ⇒ *Learning about clubs*
