

High School Fundamentals

This course provides a foundation in skills for successful organization, communication and general tools students will need to be successful in high school.

Future: Students will focus on the future by learning how to complete job applications and create resumes, obtain references, develop work ethics, take care of responsibilities and manage time. Students will experience team- building, develop leadership skills, learn about the importance of participating in school and community service, and explore career interests.

Health and Wellness: This course will also focus on health and wellness for teens including how to develop good eating habits, exercise, get the right amount of sleep, avoid peer pressure, substance abuse, and how to avoid bullying.

Academia: Focus on academic skills, include how to stay involved, how to understand personal learning styles, develop presentation skills and how to utilize study skills. Students will also explore higher education options.

Activities: Student will take field trips to Rogers State University, Claremore, Will Rogers Museum and Tulsa Community College Aviation Center.

Registration Timeline

Registration will be accepted through July 12th.

Transportation

Transportation will be provided. Bus pick up will be at centralized locations. Those locations will be determined by June 30th and will be posted on the BHS website.

Cost to Attend

This course is *free* of charge thanks to the financial support of Bartlesville Education Promise. However, there is a \$10 registration fee.

Meals

Breakfast and lunch will be served daily at BHS.
