

# PINWHEELS & POPCORN

## Out of This World

A colorful illustration featuring a yellow alien spaceship with a white dome and a green alien with antennae inside. The spaceship has four red lights on its side and a blue base. Below it is a green planet with a blue ring, resembling Saturn.

This summer's theme will be *"Out of this World"....*

Our journey will begin on our own planet Earth and extend through our solar system and beyond as we discover mysteries and amazing aspects of our Milky Way Galaxy. Teachers will focus on planets and moons in our solar system, ancient/historical legends of different civilizations across the globe, and robotics. Students will design, create, and explore each day with our hands-on curriculum. Activities include: Out of this World Science Experiments, Dissection of Sharks, The Planetarium, Myths and Legends of Constellations, Mini Rockets, Creating Spaceships, Designing Communication Satellites, Space Base, Space Lab Science Experiments, Waves in Space, Moon Craters, Deep Space Dry Ice Experiments, Astronaut Food, Mars Colony 1, Robotics, Coding, Digital Breakout EDU, Testing Launch Pads, Learning about the Canadian Arm, and many other amazing activities that are Out of This World!

# PINWHEELS & POPCORN

*Summer Enrichment Program June 3<sup>rd</sup> – 7<sup>th</sup>  
One Full Week for Only \$27 per day!*

**Includes: “PINWHEELS & POPCORN – Out of this World” T-Shirt!**

We are excited to once again offer **PINWHEELS & POPCORN**, an elementary summer enrichment program for students who are currently in grades Pre-K thru 6<sup>th</sup>. The classes are designed to offer academic enrichment, artistic expression as well as recreational activities. Certified instructors will be teaching hands-on activities across the curricular areas of science/math, language arts, and physical education. These areas are designed to meet the developmental abilities of each age. In addition, special speakers and field trips will enhance the daily activities. Students will experience new and exciting themes each day throughout the week, includes field trip and water day!

**LOCATION AND TIME:** Classes will be held at **Wayside Elementary School**, 9:00 a.m. to 3:00 p.m., Monday-Friday, June 3 –7.

**LUNCH:** Students will need to bring a peanut-free sack lunch and a drink each day, except Friday when lunch will be provided.

**LUNCH MOVIE:** Students will be able to choose between two movies during their lunch time.

**T-Shirt:** This year we are purchasing printed Pinwheels & Popcorn t-shirts for all students to wear on the fieldtrip day and any other days that they would like during the week. A note will be sent home with fieldtrip information.

**TUITION:** The tuition for each child is \$135 for the week, which \$27 of your tuition is non-refundable. If you need to withdraw from the program before May 26, the remainder of your tuition will be refunded to you. Tuition includes necessary materials for lessons, supplies for arts and crafts, snacks, and field trip. **FULL TUITION PAYMENT IS DUE AT THE TIME OF ENROLLMENT.** Please make checks payable to Pinwheels & Popcorn. Families with 2 or more children can save \$10 per child when enrolling. BPS Employees ask about additional discounts available to you!

**REGISTRATION:** Please return your registration and tuition no later than May 31 to ensure enrollment. You can mail your registration or return it to:

**Kay Walker, Wayside School, 3000 Wayside Drive, Bartlesville, OK 74006**
