

BPS-GUEST

Guest access is reserved for those needing temporary access to the district wireless network. Unlike BPS-SECURE, users joining BPS-GUEST must sign up for an access username and password.

1. Under your device's WiFi settings, find and select the BPS-GUEST network from the list of visible networks.
2. Your device should redirect to a web browser in order to complete the sign-in procedure. If you were given a username and password by the district, please enter that here. If you need a username and password, please click the link **Don't have an account?** to obtain one.
3. Fill out all requested information and then press **Register**. (SMS provider is the telecommunications company that handles your text messages.)
