

OERB® Energy Education Workshops

**SATURDAY, APRIL 4 AT
BARTLESVILLE HIGH SCHOOL**

BPSD teachers can earn a full day of inclement-weather-day bankable credit for 2019-2020, a \$50 stipend, and a free kit of materials!

OERB Curricula Offered for K-12th Grades

Little Bits: for early elementary teachers (grades K-2; 6 inservice points)

Fossils to Fuel: for elementary science teachers (grades 3-6; 6 inservice points)

Fossils to Fuels 2: for elementary science teachers (grades 3-6; 6 inservice points)

Petro Active: for middle school science teachers (grades 6-8; 7 inservice points)

Rockin' Ratios: for middle school math teachers (5th grade through Pre-Algebra; 6 pts.)

CORE Energy Mathematics: for secondary mathematics teachers (Algebra 1 & 2 and Geometry; 6 pts.)

CORE Energy Science: for secondary science teachers (Physical Science and up; 7 pts.)

CORE Energy Language Arts: for secondary english/language arts teachers (grades 9-12; 5 pts.)

CORE Energy Social Studies: for secondary social studies teachers (Oklahoma History and up; 6 pts.)

Each teacher receives:

- Curriculum aligned to the Oklahoma Academic Standards
- Free kit of materials to teach the curriculum
- \$50 stipend for attendance
- Professional development hours

Sample of OERB's Curriculum Materials

Little Bits

Crayons
Safety Buttons
Rock Samples
Tic-Tac-Toe Game
Petro Pete Bingo
Jump Ropes
Hand Lenses
Petroville Game

Fossils to Fuel

Pipettes
Rulers
Digital Scales
Graduated Cylinders
Rock Samples
Crude Oil Sample
Hand Lenses
Beakers

Fossils to Fuel 2

Viscosity Tubes
Sediment Tube
Molecular Water Model
Graduated Cylinders
Ooze Tube
Stopwatches
Spring Scales
Recycling Kit

Petro Active

Beakers
Digital Scale
Tuning Forks
Graduated Cylinders & Bases
Geological Faults & Folds Model
Rock Samples
Erlenmeyer Flask

Rockin' Ratios

TI-30XS Calculators (up to 30)
Document Camera
Scissors
Rulers
Compasses
Set of Tangrams

CORE Energy Math

TI-84 Coloring Graphing Calculators-Set of 3
TI-84 Charging Station and Emulator
Graph Paper
Laminated poster-size maps
Vis-à-vis pens

Core Energy Science

Distillation Sets
Water Pump
Hot Plates
Molecular Model Kits
Ring Stands
Graduated Cylinder
Beakers

Core Energy Language Arts

Nearly Forgotten-The Glenn Pool Story
DVD "Nearly Forgotten"
Pens
Highlighters
Dictionaries
Thesauruses

CORE Energy Social Studies

DVD A&E "America's Castles"
DVD copy of "Boomtown"
DVD copy of "Tulsa"
Vis-à-vis pens
Oklahoma Road Map
Laminated Maps
